

Introducing

SMI 90 BA

Standard
MACHINES, INC.

User Friendly 1 & 2 Color Pad Printers

No need to battle with many wrenches! The easy to use SMI 90 BA features:

- Easy set up
- 90mm ink cups
- User friendly controls
- Various programs
- Possibility to modify to your existing print plates/Clichés

Don't just buy a machine and be left hanging... work with the company that has been printing for over 35 years! We support our customers with everything pad and screen print related!
